The Bulk-Buy Administrator will coordinate requests, payment, and collections of Orders. During the winter, Members can arrange to collect their orders at the monthly Evening Meetings (usually on the third Friday of the month), from September until April. Alternatively, collection arrangements can be made with the Bulk-Buy Administrator.

From time to time, Bulk Orders are placed on behalf of Members who commit in advance to take those items. For example, a couple of times each year a bulk glassware order for jars is placed. The Association gets improved pricing, and free delivery.

Watch out for e-mail alerts when one of these orders is being planned. [Form Date 14Oct2021]
